Following the Ark
meant:

1. 10 Commandments
– *Obey God's Word*
2. Aaron's Staff
– *Submit to God's leader*
3. Bowl of Manna
– *Trust God's provision*

“When the ark is in place, the river is not an issue!”

Consecration

“The acts of consecration (like confession) remove the barriers to God’s power and to fellowship, and so prepare our hearts to receive God’s grace; they build our faith so we will put our feet in the water, cross over, and go up against the enemy.”

Tremper Longman

Seize Your Jordan River Moment!

“Our wealth and abundance of human resources have positioned us to accept a paradigm that provision precedes vision. This has been the foundation of building no-risk faith.”

Erwin McManus, “Seizing Your Divine Moment”

Jordan River Moment

“What am I pursuing right now that can’t be done unless God shows up in a powerful way?”

life when we're faced w/ legacy determining decisions... I got to decide... what is this decision with regard to my legacy.

- How am I going to decide? What am I facing right now that is my Jordan River - that big honking thing in front of me? • God goes out ahead

- God has to guide them (me) - as I've never been ^{this way} before
- You've never been this way before before
- God says move out start your journey
- 3 days of prep - then the waters come
- Arch - very presence of God, can't touch the arch

You have not been this way before... I will lead

1. Survey the territory
2. Pray in the territory
3. Ask for vision
4. Research my ministers, but don't compare
5. Pray for the women
6. See them & pray
7. Bring others w/you
8. I will rescue. My gospel will rescue
9. Safe house
10. Work - new thing: Rehab
